

Project Developer – Solar

Zagreb, Croatia

Salary: Competitive

In November 2020 Solarcentury joined forces with Statkraft. Statkraft is a leading company in hydropower internationally and Europe's largest generator of renewable energy.

Statkraft now has a great opportunity for an experienced Project Developer – Solar in Zagreb Croatia. This newly created role will be part of Statkraft's local Solar development team and will proactively initiate and develop solar projects in Croatia. The goal is to create a solid and long term development pipeline of solar projects in different stages. You will carry out and be responsible for all necessary project development activities, will support the financial closing processes and cooperate with both Business Area and Group service providers. The position reports to the Head Solar Development.

Key Responsibilities:

- Responsible to initiate, develop and manage solar projects and pipelines in Croatia.
- Identify, evaluate and develop large sites for ground mounted PV projects together with internal engineering services.
- Negotiate Co-development Agreements, Land related Agreements, Grid connection offers, Engineering-Procurement-Construction contracts
- Identify and manage projects and partnership opportunities to grow the development pipeline
- Manage projects, pipelines and co-developers and report on progress
- Lead (third party) processes on permitting, technical, geological and grid connection
- Carry out financial analysis, analyse and review the business case based on technical design and costing
- Define development budgets, manage costs and cashflow
- Identify and manage technical, regulatory and legal risks

What we are looking for:

- 3 years + commercial experience with a successful track record in solar project development in Croatia.
- Bachelor's degree in a technical discipline.
- Must be fluent in Croatian and English.
- Strong commercial acumen and management skills (people, project, pipeline).
- Self-driven, high personal integrity and high ethical standards.
- Willingness to travel.

If you are interested in applying for this opportunity please submit your CV along with your annual gross salary expectations and notice period to Birgit.Berry@solarcentury.com
